

Amira's Instruct Tips

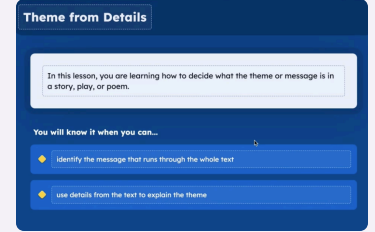

Lesson deck →

STEP 01

Know Your Goal

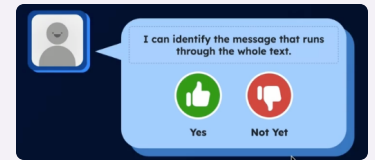

Check the **learning intention** to see what skill you'll learn and the **success criteria** to see what you'll be able to do by the end.

STEP 02

Check What You Know

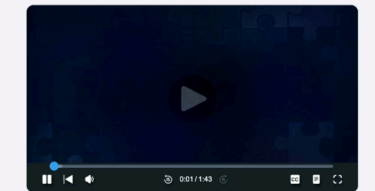

Take a quick **self-assessment**: Does this skill feel familiar or new?

STEP 03

Watch and Learn

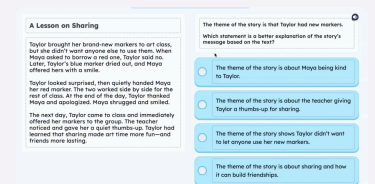

Watch the video to learn the skill, and join in if Amira asks.

STEP 04

Practice the Skill

Listen carefully to the directions, practice what you learned in the video, and try your best.

STEP 05

Get Help

If you're stuck, use these buttons to watch the video again or get a hint.
